STUDENTS ACHIEVEMENTS

It is really a great achievement.

- (i) **PERSONAL ACHIEVEMENT:-**Students /graduants acquired a new knowledge of understanding the difference between educated ad uneducated person .They were publically introduced to the labour market through that graduation.
- (ii) **ACADEMIC ACHIEVEMENT:-** The Graduants were exposed to the use of various tools and equipments as per Trade .They acquired new knowledge .The Graduants were happy to see that they are now engaged in the field of production and the they are going to serve themselves ,Society and the Nation . The Graduants were happy to see that they are now going out for self employment. The tool set for Graduants assured them that they are now recognised by the P.A.P.A Bridge AUSTRIA.The Graduants have motivated others to join the V.T.C and hence increase the number of students at the Centre.It was due to the tools and equipments from our friends in Austria ,is well as the Construction of the V.T. C ,which has shown to our students that there is a Bridge between Tanzania and Austria. May God Bless Walter Koch and His friends in Austria ,May God Bless Professor Aidan G.Msafiri with his friends.
- (iii) **SOCIAL ACHIEVEMENT:**The Graduants have developed their social values through V.T.C
- (iv)**DISCIPLINARY:-** The Graduants have managed to go out with a good discipline most of them have changed from bad to good acceptable discipline and moral valves . The V.T.C has changed them to good habit.

WE WISH ALL OF YOU MERRY X-MASS AND HAPPY NEW YEAR.
