PATER AIDAN PARTNERSHIP FOR AFRICA

P.A.P.A. Bridge School Sponsorship Program

By taking part in the school sponsorship program, you enable a needy adolescent in Tanzania to attend our P.A.P.A. Bridge Vocational Training Centre in Kilema, Tanzania, to learn a trade of their choice. We see this vocational education as a **springboard to a self-determined life**. In this way, adolescents shall get the opportunity to finally take matters into their own hands.

Your godchild

After contacting us, you will receive a personal profile of your godchild.

Contribution: € 30 per month

This contribution is used for:

- school fees,
- work materials,
- a school uniform,
- three meals per day and
- medical services.

It is also possible to sponsor an adolescent as a group, e.g. as a school class, a youth group, friends etc.

Duration: basically 3 years

These three years conform with the duration of the training at our state-approved vocational training center. Certainly, you also have the option to stop sponsoring at any time without naming reasons.

However, it would be of high value both for the adolescents and for us to continue sponsoring until your godchild has graduated from school.

Unfortunately, it can happen to every godchild that they must leave school, e.g. for the reasons of working at home, moving to a different place or being afflicted with a disease. In cases like these, it is not possible to support your godchild via P.A.P.A. Bridge any further. Then, you will have the opportunity to sponsor a new godchild instead.

 You will be informed about news and updates via e-mail.

 The people responsible for the sponsorship program are Claudia Schanes in Austria and Mary Mchaki in Tanzania.
